

# Virtual Recruitment: Where to Start and Lessons to Learn from Experts

**November 3,  
2020**

7am PST 8am MST 9am CST 10am EST

**Keynote Speaker**

**Dr. Cheryl O'Malley, MD**

Associate Dean  
of Graduate Medical Education  
University of Arizona

**"Tips and Tricks for Virtual  
Residency Recruitment: Lessons  
Learned and Lessons to Learn"**

Due to the COVID pandemic and the anticipation that many medical physics residency programs and graduate programs will convert to virtual interviews, the upcoming recruitment season will likely look very different from previous years. This webinar is intended to provide medical physics residency and graduate program directors with a foundation to approach the change to virtual recruitment.

**Keynote  
Presentation  
Followed by  
Panel Discussion**

After the hour, please join us for  
breakout sessions to continue the discussion

**Panel Discussion with our Keynote Speaker and**

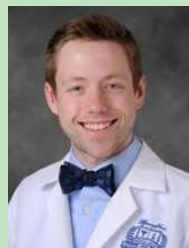

**Hania Al-Hallaq**  
Moderator and  
Panelist

**Leah Schubert**  
Moderator
