

# The Roles of SDAMPP Directors and Chairs in 2021

---

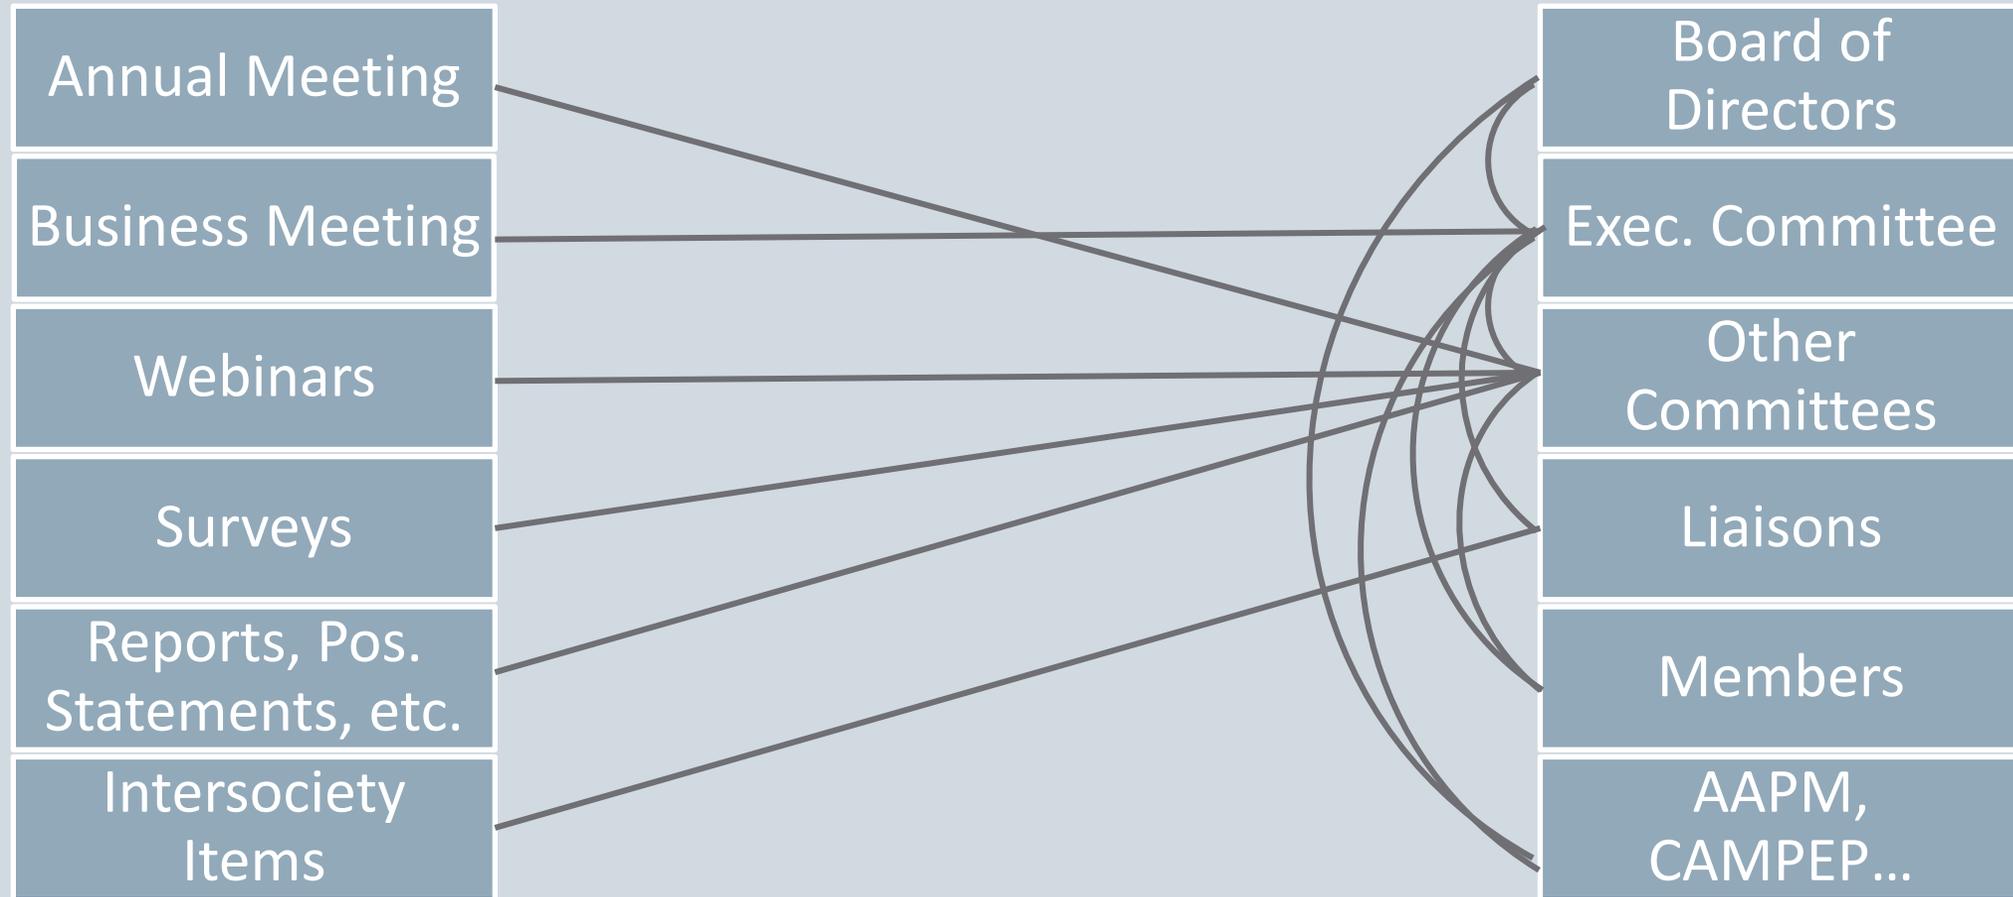

PRESENTED BY WAYNE NEWHAUSER, PRESIDENT  
AT BOD MEETING ON 02 FEB 2021

# SDAMPP in 2021: Overview

---

- Mission: Advance medical physics education.
- Methods: Communication, cooperation, engagement, volunteerism, consensus building.
- Challenges: Methods are non-obvious. “I don’t know what/how/when to do ...”  
Each volunteer has finite time available.
- Solutions: Teamwork  
Efficiency
  - What? When? Strategic Plan
  - How? Policies and Procedures, By-laws, Rules
  - Who? Organization Diagrams

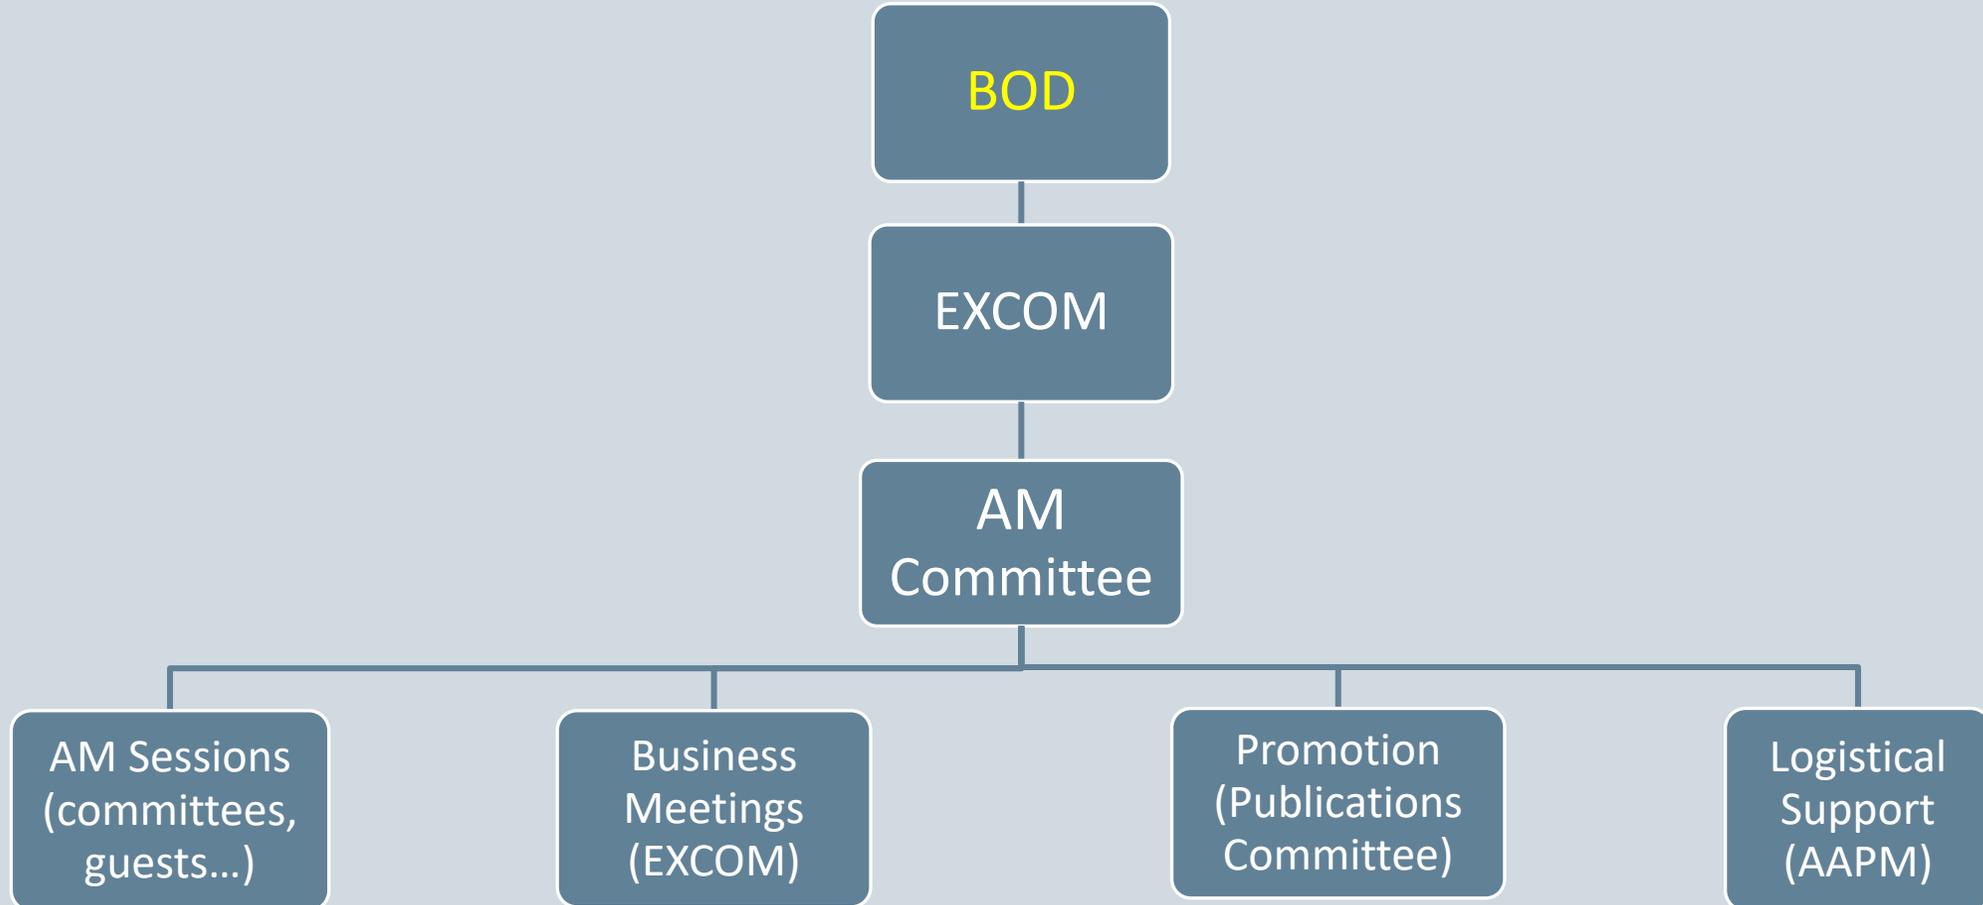

# SDAMPP in 2021: Activities, People, and Teams

New officers/directors/chairs/liaisons: "I'm a bit confused ..."

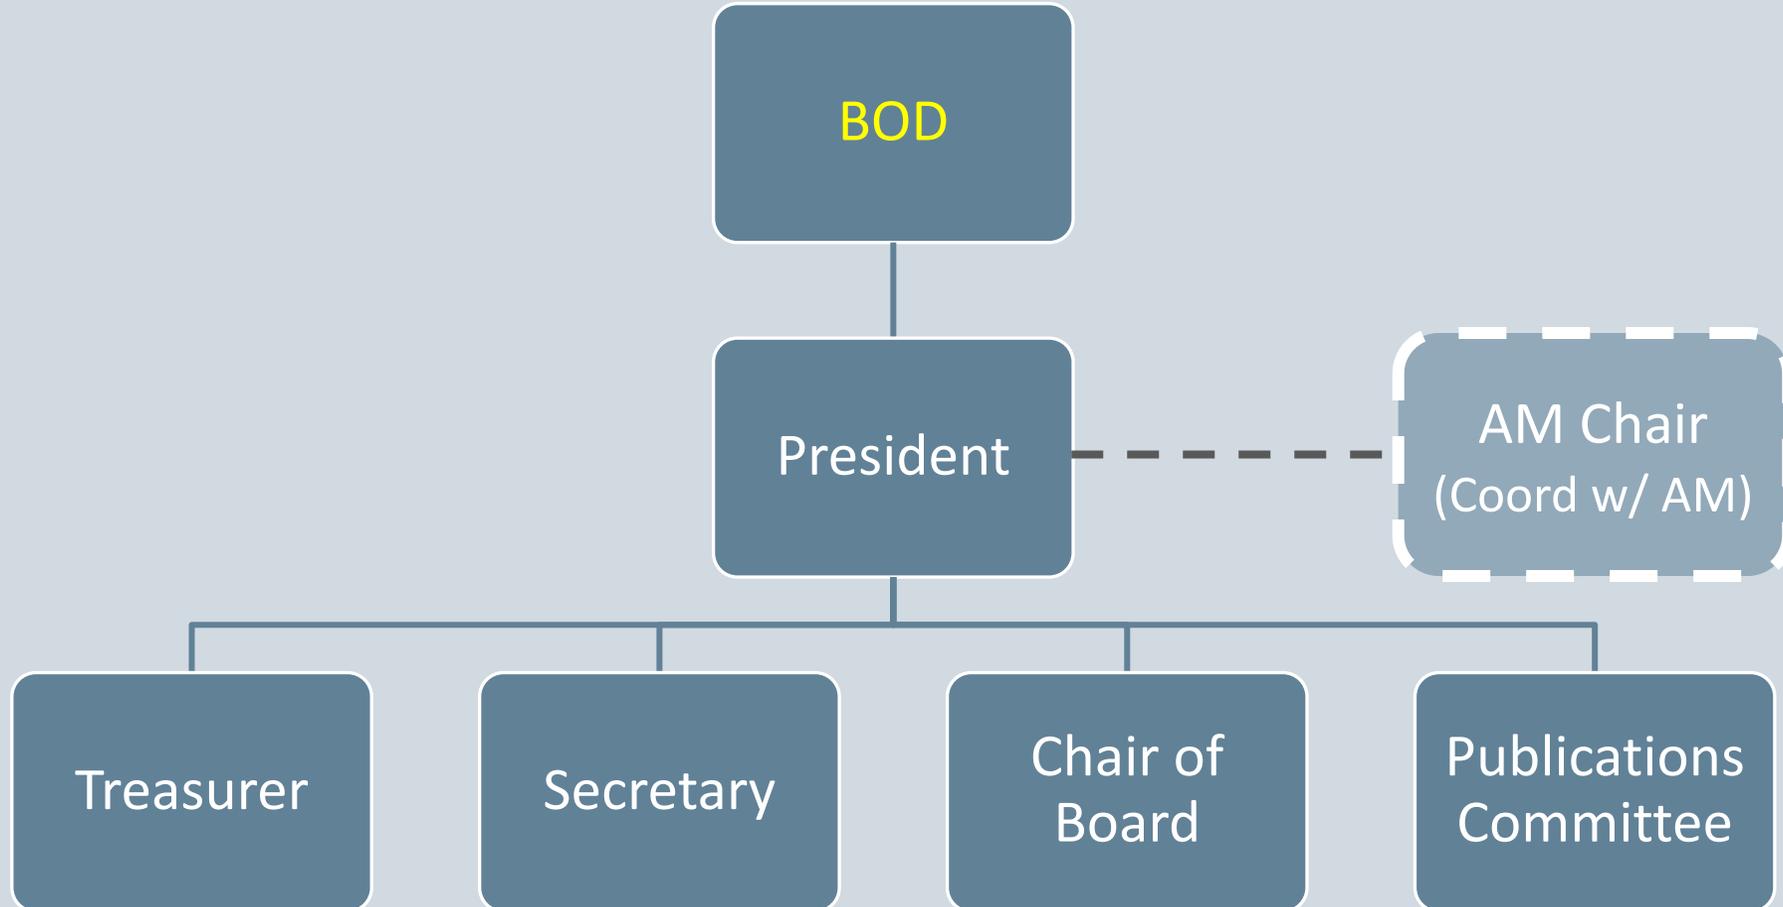

# SDAMPP in 2021: Annual Meeting

---

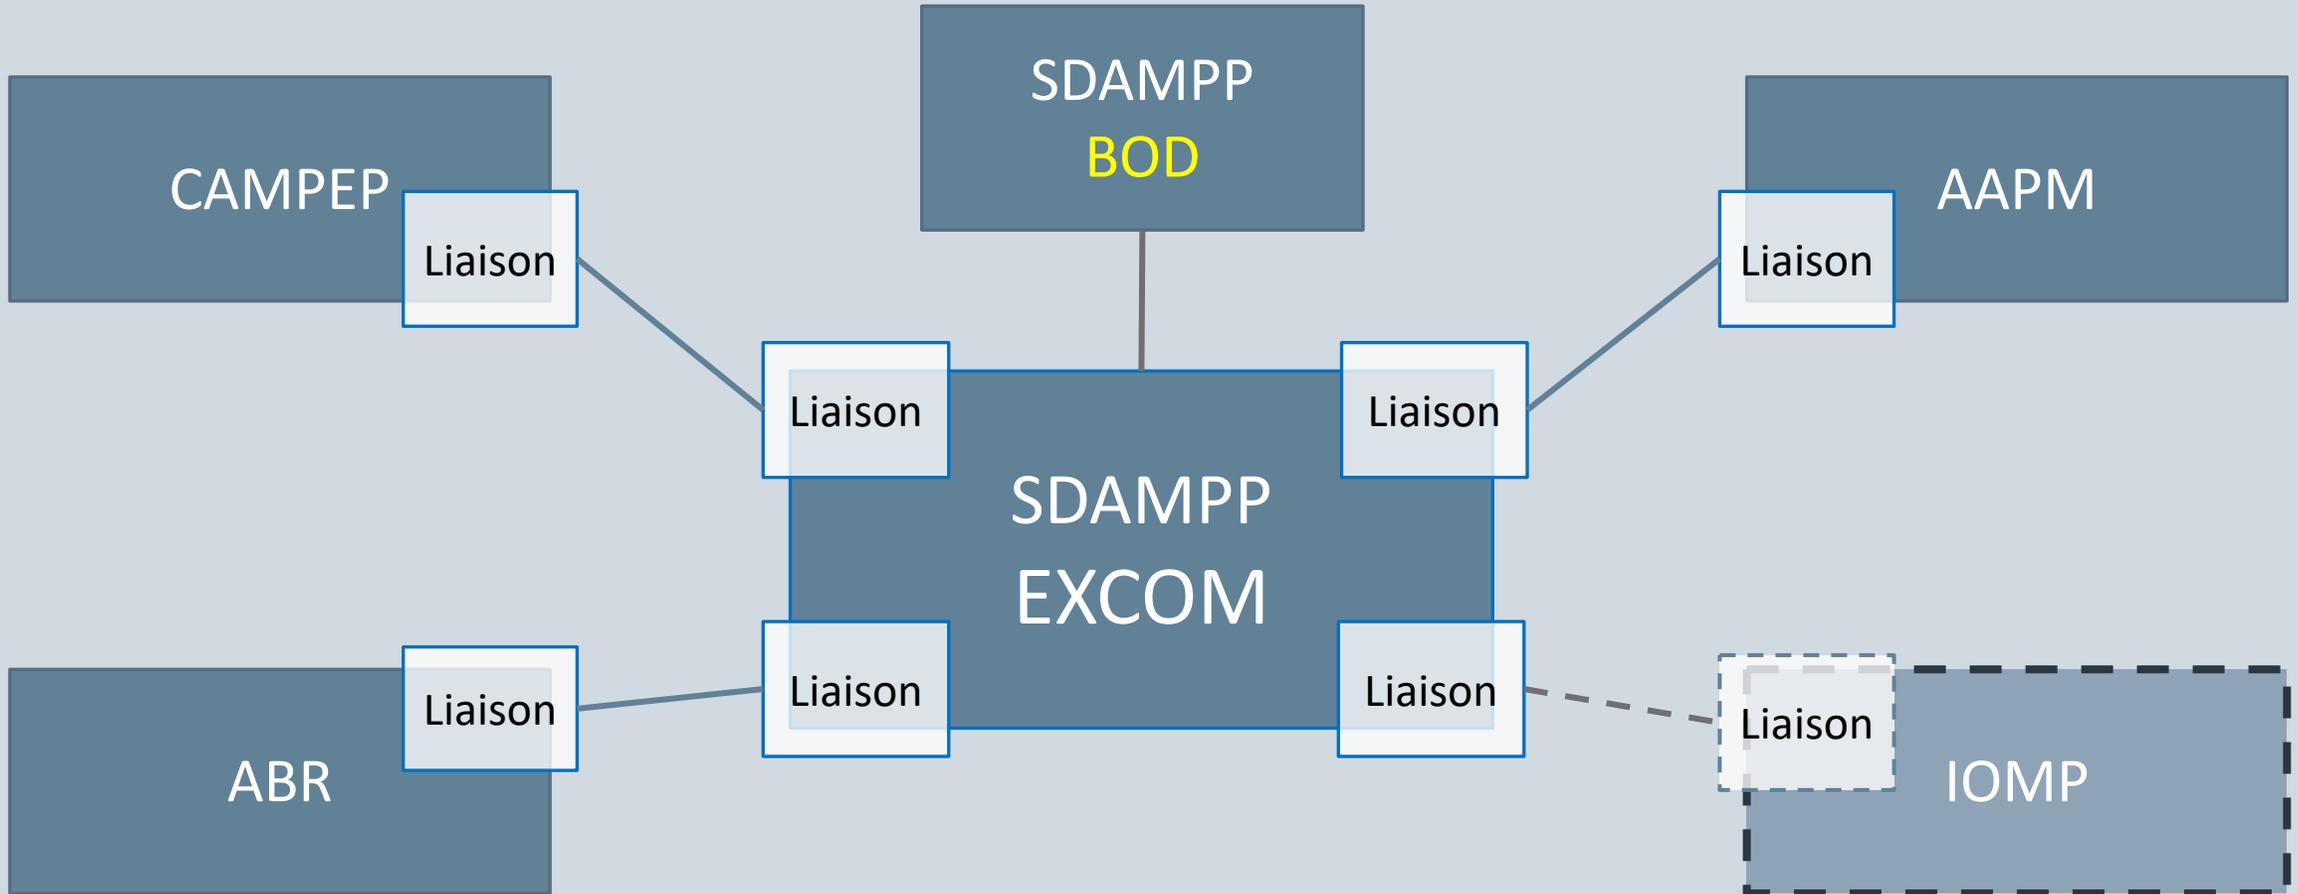

# SDAMPP in 2021: Business Meeting

---

# SDAMPP in 2021: Engaging Other Societies

# SDAMPP in 2021: Webinars

# Summary and Conclusions

---

- SDAMPP is growing, doing more, and rapidly adapting to changing needs of our members.
- The 2021 **BOD** and **chairs** play a vital role in leading the society through this challenging time.
  - **Pro-active oversight** of current activities.
  - **Vision** for future: Strategic plan for 2022-2027 (fall strategic planning workshop)
